**Moving & Storage**

# Moving is more than just packing, loading & shipping.

Operating in the U.S. since 1998, Confiança Moving is specializing in household, corporate and military moving services, within the United States and abroad. Confiança Moving has provided **professional, safe and reliable** moving services using superior packaging and crating provided by experienced staff.

## Our Services

### HOUSEHOLD MOVES

Whether local, interstate or international moving, Confiança has the service that fits your needs and the demands of your customers. Confiança provides a **customized moving plan** for each client. We recognize that each customer deserves special attention to their specific requests.

### What you will receive when you move with Confiança:

- Affordable prices
- Licensed / bonded
- Valuation protection coverage
- Quality customer service
- Assembly, packing, delivery, unpacking & disassembly.
- Shuttle Services, when needed
- Storage services at origin and destination.

### PACKING & CRATING

Packing and crating items are very important for us. Our team of packers are well-trained in the best techniques available and utilize only **professional grade materials**. Confiança specializes in careful handling of delicate, breakable or irreplaceable items. The household goods are individually wrapped in special paper and packed in the appropriate cartons. Custom made crates are built, upon request, specifically for goods that require special and extra protection during international moves.

### CORPORATE MOVES

Confiança makes every relocation experience easy. Our goal is to provide the best service and guarantee that each step of a relocation can be stress-free for your organization and your associated.

Our services include moving planning, packing, unpacking and storage in transit services, at origin or destination, within local, long distance or international locations. Confiança is a member of the most recognized moving associations, counting with more than 2.000 agents worldwide to help coordinate and offering more options for any international move.

### MILITARY SERVICES

Confiança Moving offers professional relocation services for Consulates, Embassies, the Brazilian Army, and Air Force and other government agencies.

Our South Florida location is approved by Department of Defense to provide **origin, destination and storage-in-transit services**.

Our moving coordinators are committed to our military members and their families, by assisting them with their relocation schedule and budget with competence and attentive customer service.

### STORAGE SERVICES

Confiança provides **secure storage facilities** for your belongings in Miami and New Jersey. Our warehouses are equipped with climate control, 24/7 security to protect the stored property.

We also offer **storage-in-transit** services, when your customer needs more time to conclude their moving. They can take advantage our facilities to store their belongings, whether for short or long periods Confiança has always the proper solution for you.

### SHIPMENT PROTECTION

We understand the customer's concerns regarding the protection of their personal items during a move. Confiança has the best options **available for total protection coverage**.

The valuation protection covers the cost of repair or replace for lost or damaged items. Our consultants will evaluate each move and offer the best option for each individual customer.
